

## Level 2: Child Sexual Exploitation: The Victim's Voice

*"Level 2 is a great day, great value for money very informative. Far better than my previous training!"*

This **CPD accredited** one day course offers a comprehensive overview of Child Sexual Exploitation, from why and how children are groomed to recognising and understanding how and where to seek support for young people who are being sexually exploited or at significant risk thereof. The course keeps the victim's voice at the heart of our interactive course as we bring their experiences to life with real life case studies and audio clips. The course is delivered by passionate, experienced professional trainers who also have relevant frontline experience and so draw on this experience extensively throughout the day .

### **Who is it aimed at:**

- Professionals that work with children and young people and want to obtain a holistic understanding of Child Sexual Exploitation
- This can include Social Workers, Teachers, School Nurses, Youth Workers, Police, staff from young people's charities, residential home staff and foster carers

### **What this course covers:**

- Understanding current CSE context across the UK
- The latest grooming models including; party lifestyle, peer on peer and online grooming
- How CSE impacts young people in the short term and long term
- Dealing with disclosures
- Understanding the perpetrators
- The Law and Safeguarding guidance

### **Our recent clients include:**

- Leeds City Council (Lead CSE Trainer since 2014)
